Thomas Edward Mitton House presents...

FREE educational brain injury roadshow: Understanding brain injury rehabilitation

Place/Date/Time: You choose

Aimed at health and social care professionals, our Brain Injury Roadshow is presented by management and clinical staff from BIRT's Thomas Edward Mitton House in Milton Keynes. Delivered at a time and place to suit you, our Roadshows are easier to make time for in your busy schedule.

Presentations usually last 40 minutes and can include:

- Causes and impact of brain injury
- Brain anatomy
- Antecedents, behaviours and consequences resulting from a Brain Injury
- Behaviour management
- The neurobehavioural approach to rehabilitation
- Using structured feedback in brain injury rehabilitation
- Outcome measures for individuals, families and commissioning bodies
- Social skills development and community integration
- Vocational support
- Working with families and outside agencies in the early acute stages
