

## Work for us – More information

You have been redirected to this page because either the job you are enquiring about is no longer being advertised or the link to the particular download has been deleted. Please see below for more information.

We work in partnership with those we support, their families, friends, local authorities, health authorities and housing associations to deliver leading-edge services that meet the needs of people with complex and challenging disabilities.

**"I like the idea that the work I do improves the lives of the residents within our services. I enjoy supporting staff and working to look at ways of improving selection, recruitment and retention of staff at the Trust."** Jayne, HR Advisor

**"With the Trust I feel valued and supported, and this is a new experience for me!"** Robert, Nurse

**"Each day brings something new. If you like working with people then this is the job for you. It is hard work but extremely rewarding."** Lisa, Support Worker

### Employee benefits

Here at The Disabilities Trust we believe that highly trained and motivated staff are vital to help us continue to deliver life-changing support for people with disabilities.

### We offer a competitive benefits package that includes:

- Flexible working
- Annual leave rising according to length of service and role
- Stakeholder payment and pension
- Group life assurance
- Occupational sick pay
- Private medical insurance (for certain posts)
- Specialist training and qualifications (depending on role)
