Transport and accommodation

Due to limited parking at Hilton Glasgow, and in order to be environmentally responsible, we encourage delegates to travel by public transport if at all possible.

Unless otherwise shown there are daily flights to and from Glasgow International Airport from the following airports (*correct at time of going to print*). The airport is only eight miles west of the city. The airport bus runs from the airport to Glasgow city centre (approx. 20 minute journey) at least every 10 minutes, 24 hours a day, stopping within a five minute walk of the Hilton Hotel for £10 return fare. Glasgow Central Station links Glasgow by rail to all UK cities. Glasgow Queen Street Station operates routes mainly to Central and Northern Scotland. The Hilton Hotel is less than a mile from both railway stations and costs around £5-£10 in a taxi.
