

THE DISABILITIES TRUST RESEARCH COMMITTEE (DTRC)

APPLICATION CHECKLIST

This checklist is a reference tool to help applicants ensure that they have included all the information and documents required for review by the DT Research Committee. Please ensure that you have covered all the relevant areas listed in your application. Please provide further information about any areas that have not been covered. For example, there might not be power analyses, because you are proposing a single case design.

Area / document	Tick if included	Notes for consideration
Liaison with DTRGC / Guide for Researchers ahead of submission	<input type="checkbox"/>	
DTRGC application form	<input type="checkbox"/>	
Named supervisor	<input type="checkbox"/>	
Research protocol including:	<input type="checkbox"/>	
Scientific background / justification	<input type="checkbox"/>	
Originality / contribution to the field	<input type="checkbox"/>	
Method, including:	<input type="checkbox"/>	
Inclusion and exclusion criteria; risk of recruitment bias	<input type="checkbox"/>	
Power calculations, feasibility and mitigating actions	<input type="checkbox"/>	
Choice of measures; reliability and validity	<input type="checkbox"/>	
Procedure (who will be responsible for what, how long will each stage take, resources needed)	<input type="checkbox"/>	
Planned data analyses	<input type="checkbox"/>	
Practical considerations	<input type="checkbox"/>	
Data protection	<input type="checkbox"/>	
Participant information and consent form	<input type="checkbox"/>	
Peer review	<input type="checkbox"/>	
Participant / service user involvement	<input type="checkbox"/>	

Please e-mail research@thedgroup.org, or contact Dr Sara da Silva Ramos, if you have any questions or need further guidance.
